# Word Sorts

Long U  
Words

**CHALKSPOT  
TEACHER STORE**

Quality products for today's busy  
teachers!

Dear Teachers,  
Word sorts are a great tool for helping your students actively review the rhymes they have learned in class. Each closed sort activity allows the student to demonstrate their understanding of word patterns and the relationship between letters and sounds. There are nine word sort activities. These activities can be used as a review for long vowel sounds or quick independent transition activities during the day.
